RE: John Dackson
Trial Presentation Consultant

To Whom It May Concern:

I just finished a two-week trial during which the plaintiffs worked with John Dackson to assist in graphic presentations to the jury. I was very impressed with the technology and particularly with John who was attentive, courteous, accommodating, and very competent. His presentations were seamless and very effective. It was a pleasure to have him in my courtroom.

Sincerely,

A handwritten signature in cursive script, reading "Louise G. Scrivener", followed by a long horizontal line.
